How You Make An Impact

Partners

Donating to the DHDC Partnership Program puts funds directly back into our Downtown and helps secure it as the vibrant center of our city.

DHDC

DHDC uses those funds for business recruitment, physical improvements, and destination marketing. Not one cent is used for office expenses or salaries.

Community

Community members, guests and tourists get to attend great events, have more options for shopping locally, and enjoy a higher quality of life.

The Downtown Hays Development Corporation is continuously working with community members to grow, restore, and improve upon what Downtown has to offer. Our mission has been and will continue to be to enhance and secure the quality of life in Hays.

In 2015 DHDC launched "The Bricks" campaign in an effort to market a unified and cohesive brand. The Bricks has given Downtown an identity where community members feel a sense of unity and excitement from the activities, businesses and people. It hasn't erased the past but instead married it with the present.

In 2016 DHDC introduced two new events - Brews on the Bricks and the Farm to Fork Dinner event. Both boasted sold out ticket sales and huge success. Brews on the Bricks attracted over 400 people from over 40 cities and 4 states to Downtown. Farm to Fork featured a four course meal using almost all ingredients from vendors at the Downtown Hays Market. DHDC will continue to look for unique opportunities to feature all that The Bricks has to offer.

DHDC is excited for community members and tourists to hit The Bricks in Downtown Hays because whether you're looking for custom made jewelry, award winning food and beverages, a one of a kind gift, or an experience you'll never forget, you can find it in Downtown. Our Downtown is truly a treasure that should be cared for and shown off. The Partnership Program is your chance to help us do just that. A majority of the funds go to marketing and improving Downtown and special projects. None of it goes to office expenses or salaries. Thank you for helping us shape the future of Downtown Hays.

DHDC is a 501c3 not for profit corporation.
